SUMMARY

Dedicated and Adaptable developer with a strong background in Web Development and a commitment to continuous learning and improvement. I am fully committed to contributing to the long-term success of the organization by leveraging my skills in developing high-quality, user-friendly applications.

WORK EXPERIENCE

Full Stack Web Developer Internship

February - May 2024

InfoClick Digital Solutions Pvt. Ltd.

- Worked as a *MERN Stack Intern*, where responsibilities included developing and maintaining web applications using MongoDB, Express.js, React, and Node.js
- Learned about **Component Driven Development, State Management using redux and context API, React Hooks, Cloud Deployment, Reverse Proxy, load balancer, payment integration** etc.
- Gained hands-on experience on RESTful APIs, Git and DevOps practices.

EDUCATION AND CERTIFICATION

BSc. Computer Science and Information Technology

(2019 - 2024)

Tribhuvan University, AIMS College

+2 Science / High School

(2016 - 2018)

Shikshadeep H.S.S

PROJECTS

ONLINE BOOKSTORE WITH RECOMMENDATION SYSTEM

(2023)

E-commerce platform developed using MERN Stack with a item based collaborative filtering recommendation system implemented in python.

This project facilitates the fundamental features required in an ecommerce like online payment gateway(Esewa), Search/Filter functionalities, etc..

RESTURANT MANAGAEMENT SYSTEM

(2024)

This RMS is a web app with inventory management software designed to help restaurant owners and managers streamline various aspects of their operations, including order management, inventory tracking, staff scheduling, billing, and more.

I worked extensively on the backend portion of this project during my internship at infoClick digital solutions.
